

Business and Personal Coaching Assessment

Please answer “yes” or “no” to the following:

1. Do you think you can learn more to grow?
2. Are you having difficulty achieving your dreams and goals?
3. Do you need someone to keep you on track?
4. Are your productivity and sales not as high as you'd like?
5. Do you feel there isn't enough time in the day to get what you need done?
6. Do you need advice when making critical decisions to grow your business?
7. Does starting or running a business overwhelm you at times?
8. Are you having relationship problems that produce conflicts you want to stop and resolve so you can continue to grow your relationship?
9. Are you stressed about business and life?
10. Is your health being sidetracked by your work?

If you answered “yes” to **7 or more questions** you need business and personal coaching, answered “yes” to **3 to 6 questions** you may need business and personal coaching, answered “yes” to **less than three questions** you don't need business and personal coaching.
